

N290F

900047-B

Four way ratchet mount. Nylon/PVC

1" 14TPI male. Fits 1" 14TPI low ferrule antennas.

N290F is a nylon four way ratchet mount for installation on any flat surface. The handle allows quick and easy antenna tilt if needed. N290F is equipped with a feed through hole for RG58C/U cable. Screw set is included. This mount is manufactured in premium quality materials in order to prevent galvanic corrosion. The mount is always subject for improvement. The mount has the same rugged design as all other AC Antennas products thus it withstands harsh environmental conditions, both on Sea and Land.
